

# BANK ROBBERY ALARMS

Directive: 6.25

[REDACTED]

It is imperative that police personnel are knowledgeable with these responsibilities as effective response necessitates cooperation among Police, Communications, and Banking Personnel.

Enclosed is a list of responsibilities for the appropriate personnel:

## A. Bank Employee Conduct

Responding police officers should be familiar with the general guidelines which govern the conduct of bank employees during robberies.

[REDACTED]

**B. Communication Center. Conduct**

The procedures which follow are established to minimize the possibility of a hostage situation, as well as potential hazard to innocent bystanders and to officers responding to a silent alarm or robbery in progress, as well as to maximize the probability of successful conclusion to the investigation.

[REDACTED]

**C. Police Response**
